14 to 4 IN FAVOR OF REGULARS

The ball game on Tuesday between the business men of Estancia and Stubs Regulars, was hugely enjoyed by both the players and a large crowd of rooters, who witnessed the encounter. Some sensational plays were made, among them Hibler's batting, VanStone's taking in of a fly, Kennedy's pitching, Postmaster Meyer's sliding for third and Allmon's fielding. At the end of the ninth inning the score stood 14 to 4 against the businessmen. This is not intended to be taken that the businessmen cannot play ball. For during the last half of the ninth, they allowed the regulars to make four runs, just to show that the businessmen are good fellows, and to keep the regulars from getting sore and going off the field in disgust. The businessmen want another game ere long, and of course it wouldn't do to beat the regulars the first game or they wouldn't play another. The fans enjoyed the game and hope the regulars will challenge the businessmen in the near future.

The line-up was:

Businessmen	Regulars
Johnson, G. c	Comer
Kennedy, p	Johnson, P.
Cotton, 1 b	Jenson
Montgomery, 2 b	Sanchez
VanStone, 3 b	Meyer, J.
Travis, s s	Hanlon
Bainum, r f	Madole, P.
Meyer, N. c f	Hibler
Allmon, 1 f	Freilinger

Ladies Will

Sell Cream

The Ladies Aid Society of the M. E. Church met at the home of Mrs. L. D. Roberts, south of town yesterday afternoon. An elaborate dinner was served. The ladies spent the time in sewing, the work being a log cabin quilt. It was decided to serve cream and cake at Romero's store next Saturday. The ladies report a splendid shower as having fallen south of town. Those present were: Mesdames Green, Porter, Windsor, Peden, Parrott, Kuykendall, Preston, Hawkins, Woods and Rousseau, Rev. Windsor and the Misses Windsor, Pence and Green.

"Could you be content with love in a cottage?" timidly inquired the poor young man.

"Oh, yes," answered the girl with large ideas. "What we saved on the size of the house we could put into the automobile."—Kansas City Journal

DEFICIT IS WIPED OUT

Washington, May 31—For the first time in the history of the service, it is said, the deficit in the postoffice department has been entirely wiped out and \$1,000,000 surplus for the current fiscal year, ending June 30, is in the treasury to the department's credit.

Postmaster General Hitchcock last night signed a warrant returning to the secretary of the treasury \$3,000,000, the last of the amount set apart from the public funds to assist in defraying the expenses of the postal service for the present year.

Reforms in the financial system, it is stated, have made the refund possible.

An accounting plan, which was adopted about a year ago, insures the prompt deposit in the treasury of postal funds not required for disbursement at post-offices, thus making available for use by the postoffice department of several millions of dollars that, under the former practice, would be tied up in postoffices. Under the old system it required approximately \$10,000,000 to finance the postoffice department. In making the refund Mr. Hitchcock said he was satisfied the postal revenues would be more than sufficient to defray the postal expenses during the rest of the fiscal year and that July 1 would show a surplus of more than \$1,000,000.

Pope Wins

Burro Case

Judge Howell was occupied yesterday in hearing the case of the territory vs. George Pope accused of stealing a couple of burros, the property of Allan McGillivray. The testimony showed that Mr. Pope was not guilty, the judge rendering his decision that no part of the evidence showed that he had even had the burros in his possession, taxing the costs against Mr. McGillivray. It was shown in the testimony that one of the burros had been brought to town by "Red" Rawson, who claimed he had been looking for burros for Mr. Dunbar.

14000 Cans

Delivered

On Tuesday morning the boys Brigade again got busy in delivering cans to the city officials. By noon the total number received had been swelled to fourteen thousand. One or two of the boys, thinking it too slow to pick up the cans one by one, went out south of town where wagon loads had been dumped and gathering up a wagon load brought them in for delivery. As soon as it was learned where they had been obtained, the load was refused and the boys were told that no more would be received from them. The other boys continued delivering until noon.

BRAXTON-SMITH

At 8:30 o'clock Tuesday night, May 30, at the home of Mrs. Brumback in Alta Vista, Elder J. M. Tuttle of the Church of Christ, joined in bonds of holy matrimony Miss Kate Smith and J. E. Braxton, in the presence of a few friends. Immediately after the ceremony, Sheriff Meyer took the newly-weds to their home in his auto. A little later a number of young people found them here, and proceeded to extend them an old-time charivari.

Both Mr. and Mrs. Braxton are well-known in Estancia and the News joins a host of friends in wishing them a long and happy wedded life.

Gen. Diaz is

In Mexico

Vera Cruz, Mex., May 31—For the first time in a fortnight Gen. Porfirio Diaz felt something like his old self. The swelling in his face had subsided and the pain gone. His eyes are bright with a fire that has not changed in 40 years.

The general dresses in white linen. He obviously enjoys the restoration, as during his illness he could only speak in a whisper. It was in a whisper that he dictated his resignation five days ago.

Among his callers yesterday was a delegation of prominent men headed by the governor and mayor, who invited Gen. Diaz to remain in Mexico. He answered that it had always been his wish when he retired from public life to return to Oaxaca, where he could watch the results of his long labor for his country.

It is known that Diaz passionately resents the idea that he may die abroad. Were it not for his family no danger could drive him away from his country.

Gen. Diaz received the consular representatives today, headed by American consul general William Canada. Gen. Diaz's health was considerably improved today.

Fourth of July Meeting Tonight

A fourth of July meeting has been called for tonight at Neal Jenson's office, and a large attendance is desired. Reports of the committees named at the meeting held on Monday night of last week, will be given, and every booster who can be present is urged to do so. Time is getting short and a definite program must be decided upon. Tonight at 8:00 o'clock sharp.

Rev. J. R. Carver left last night for eastern New Mexico where he will spend a fortnight on church work.

WILL BE ENFORCED

Attention is called to the Village Ordinance providing for the cleaning of all closets, vaults and cess-pools, monthly during the months of June, July and August. All vaults must be filled and boxes arranged so that the cleaning of them can be easily accomplished. A penalty of twenty-five dollars and cost is provided by the ordinance for those who fail to comply with the law. This ordinance will be enforced, there being no joke about it this time. By order of the village Council.

We are often asked why our notes do not appear every week! Now if there were more of us or if the few of us who are here were sensational enough to create some news each week we would gladly grace the columns of the NEWS with accounts of the happenings every week but as it is we would have to chronicle all the births of kittens and tell of every weak old chicken that dies to have something every week.

Your correspondent has spent quite a strenuous week for an invalid and for the sake of those who want to know what he does with his time he will proceed with an account of the past week. Monday after being patched up by the doctor at Estancia he went out to look at Mrs. Allmon's and Mrs. Comer's fine chickens and was so delighted with them that he ordered two dozen pullets for Chanticleer Ranch. He arrived home at eight o'clock and slept till nine Tuesday morning. He then began that delightful task of hauling water and

SHOWERS IN ALL PORTIONS

For the past few days local showers have been the order of the day. Yesterday was the first day that these have visited the immediate vicinity of Estancia, but other sections of the Estancia Valley have received the benefit of the rains. With a few more days of these local shower, the whole valley will have received moisture, which is more than welcome in all portions. While in most sections of the valley, the crops have not been suffering as much as the spirits of the farmers, both crops and farmers will derive benefit.

The mistake which the farmers want to avoid now, is in allowing the crops to suffer for want of cultivation. No land, however productive, will produce a good crop without its full share of cultivation. In other words irrigation, while essential, is not all. Cultivation and perspiration must go hand in hand with irrigation, or the whole thing will be a fizzle. One of our farmers, who kept working his land and kept stirring the soil, even after his neighbors had given up all hopes of harvesting anything, and amid the taunts of these same neighbors, kept up the perspiration, harvesting sufficient feedstuff to carry his stock through the winter till well into March. The rains are essential, but don't depend entirely on the rains.
